

Mazzard Farm – Damson and Russet Cottages

Damson and Russet Cottages are beautiful and warm cottages, each with 2 bedrooms (one with double bed, one with two single beds – which can be turned into a perfect kingsize twin) and a lovely bathroom. All the beds in Mazzard Farm cottages are of the highest quality, with great, firm coil-sprung mattresses and high quality bed linen.

Damson and Russet, together with its neighbour Quarenden, were converted from a former apple store in 2008. The cottages are finished and furnished to

an extremely high standard, with oak flooring and doors, high quality sofa and chairs, atmospheric lighting and views over our car-free courtyard and orchard (Damson).

Both cottages are compact, yet beautiful and well designed places to stay, with open plan kitchen, separated from the living/dining area through a stylish and highly practical breakfast bar. Each makes a perfect cottage for a lovely and relaxing stay with friends or family.

By means of a cleverly designed, fully sound-proofed, interconnecting door, Damson cottage can be connected with Quarenden cottage, allowing for one large, 5 bedroom, 3 bathroom cottage sleeping up to 10 people in beds, as well as an additional 2 in cots.
