

Directions to Mazzard Farm from the Ferry Ports (Harwich, Dover, Folkstone)

Please Note: If you have SatNav, our post code is **EX11 1QQ** (Slade Road). This usually brings you in front of our neighbour, John Coles, at Higher Rill Farm. On the right of his farm is a small lane that leads you down to Mazzard Farm. Also note that some SatNav's favour motorways, which may mean they send you on a journey much longer than needed. May be a good idea to always consult a map as well.

Directions

From Harwich

- **join the A120** towards London
- follow this for some 55 miles (road becomes A12 in process) before **joining the M25**
- on the M25 you can either opt for South Bound (direction 'Dartford Crossing') or West Bound (direction 'Stansted Airport'). Distance is about equal, but chance of heavy traffic is bigger when using the latter option. Probably best to listen to travel news on radio and decide on basis of possible reported delays
- after some 60 miles, leave the M25 **at junction 12**, and join the **M3** (direction 'The West')
- continue route below (**For All**)

From Dover / Folkstone

- **head for the A20** (becomes M20 soon afterwards), direction London
- follow this for some 36 miles, and join the **M26**
- after some 10 miles this merges into the **M25** (direction Heathrow)
- continue route below (**For All**)

For all

- at **junction 12 on the M25**, join the **M3** (direction 'The West')
- **leave M3 for A303** (towards Andover) >> *note, the Little Chef at Popham is the one recently 'done over' by Heston Blumenthal!*
- stay on A303 for good 50 or so miles (Andover, Wincanton, Illminster, Honiton) >> please note road becomes A30 between Illminster and Honiton
- come **off A30 at Honiton**
- head for, and right through, town center (down a hill)
- just after leaving town center, but before heading out of Honiton, keep eye out for **A375** (signed Sidmouth)
- **turn left on A375** towards Sidmouth
- after approx 3-4 miles (after steep hill up) keep eye out for 'Putts Corner' / Hare and Hounds pub
- **turn right at Putts Corner** towards Ottery St Mary
- after entering Ottery (about 2 miles, down a hill), keep eye out for first left turn (about 300 yards after 'Ottery St Mary' sign), called Slade Road
- **turn into Slade Road**
- drive about a mile. When you get to a cluster of houses and farms, you will see '**Rill Farm**' on your right, where the road bends sharply to the left, twice within 30 meters. Continue this road
- after some 200 meters, the road **takes a sharp right bend** (on your left is a place called 'Camera's Underwater')
- after a further 150 meters or so, look out for a **Mazzard Farm sign**, and take the **first right**, just before another farm (Higher Rill Farm)
- follow little track down the hill
- **Mazzard Farm** is on this track, after some 60 meters on the left
- You can park in one of the bays on the left, and will find us in the main (white) farm house
