

Directions to Mazzard Farm from London, Home Counties and East Anglia

Please Note: If you have SatNav, our post code is **EX11 1QQ** (Slade Road). This usually brings you in front of our neighbour, John Coles, at Higher Rill Farm. On the right of his farm is a small lane that leads you down to Mazzard Farm. Also note that some SatNav's favour motorways, which may mean they send you on a journey much longer than needed. It may be a good idea to always consult a map as well.

Directions

- head for **M3** (towards Basingstoke)
- **leave M3 for A303** (towards Andover) >> *note, the Little Chef at Popham is the one recently 'done over' by Heston Blumenthal!*
- stay on A303 for good 50 or so miles (Andover, Wincanton, Illminster, Honiton) >> please note road becomes A30 between Illminster and Honiton)
- come **off the A30 at Honiton**
- head for, and right through, town centre (down a hill)
- just after leaving town centre, but before heading out of Honiton, keep eye out for left turn on to **A 375** (sign posted Sidmouth)
- **turn left on A375** towards Sidmouth
- after approx 2-3 miles (after steep hill up) keep eye out for 'Putts Corner' / Hare and Hounds pub)
- **turn right at Putts Corner** towards Ottery St Mary
- after entering Ottery (about 2 miles, down a hill), keep eye out for first left turn (about 300 meters after 'Ottery St Mary' sign), called Slade Road
- **turn into Slade Road**
- drive about a mile. When you get to a cluster of houses and farms, you will see '**Rill Farm**' on your right, where the road bends sharply to the left, twice, within 30 meters. Continue on this road
- after some 200 meters, the road **takes a sharp right bend** (on your left is a business called 'Camera's Underwater')
- after a further 100 meters or so, just before another farm (Higher Rill Farm), look out for a **Mazzard Farm sign** on your right
- **Turn right** at the sign
- follow little track down the hill
- **Mazzard Farm** is on this track, after some 60 meters on the left
- You can park in one of the bays on the left, and will find us in the main (white) farm house
